Correspondence:

- Improving public services. Local Governance Review. Devolving power to more local levels. <https://www.gov.scot/policies/improving-public-services/local-governance-review/>
- The National Planning Framework (NPF) is a long-term plan for Scotland that sets out where development and infrastructure is needed to support sustainable and inclusive growth. The Scottish Government has published a range of resources to assist communities to engage with the development of National Planning Framework 4. These include:- dates of Scotland2050 Roadshow events across the country;- materials for communities to help them develop their own responses to the Call for Ideas;- details of a Community Grant Fund to support and enable communities to come together to host their own NPF4 events. <https://www.transformingplanning.scot/national-planning-framework>
- A New transport hub could see train station in East Kilbride on the move Plans unveiled this week would see Hairmyres station relocated further west, near to St James Retail Centre, with improved park-and-ride facilities.
- **South Lanarkshire Funding Updates** – Community groups, charities and businesses may be eligible for grants from various sources including programmes overseen by South Lanarkshire Council. <https://southlanarkshire.fundingscotland.com/>
- **Check out what's on in South Lanarkshire in January** <http://www.whatsonlanarkshire.co.uk/events/all-events/>

- **Councillors' Reports**

- **Planning Applications**

Alterations and works to existing dwelling to form a new storey and a half extension; re-cladding of entire existing house; replacement of roof to existing sun room and external covered space; formation of new tiered decked area and hard standing to extend existing driveway.
