**Correspondence:**

- Transport Scotland want your views on the transport issues and challenges in your day to day journeys. They also want to know your views on how the

strategic transport network and systems could be improved in the future. You will have the option to provide a Scotland-wide response or a response for a specific region(s). The survey should take around 15 minutes to complete and all responses will be anonymised in reporting.

The survey will close on **10th January 2020**.
