## Correspondence:

- Introduction of a prohibition of driving (except cyclists) Newlands Road, East Kilbride  
Proposal: Prohibition of Driving  
As part of the East Kilbride Community Growth Area a new spine road is being constructed to access the area. The new road crosses the existing Newlands Road, however, a junction at this location would result in unacceptable volumes of traffic using Newlands Road.  
It is, therefore, proposed to prohibit vehicular traffic from entering and exiting the new road directly from Newlands Road.
