Police Report No police present

Treasurer's Report

Douglas Eunson reported that there had been no movement on the accounts since the last meeting although cheques to Scotways and Alistair Stewart had not yet been presented.

The current balances were:

Royal Bank - £5,079.27

Bank of Scotland - £993.73

It was agreed that if there were sufficient funds available from the annual grant, a further leaflet drop around households should be undertaken.

Chair's Report

The Community Council's representation to The Scottish Parliament's Local Government and Housing and Planning Committee had been submitted and copied to all our MSPs. In response, Monica Lennon's assistant had asked if we would like a visit from her. It was felt that, since there was not currently a burning issue to raise with her, the offer should be declined with thanks.

Mark Aitken's Peel Road safety measures petition had been accepted by SLC and would be considered by a meeting of the Petitions Committee on February 16th. We would be entitled to attend but it was not clear if we would be allowed to speak in support of the petition.

There had been no further news on events about the Railway situation and the Community Council had not received an invitation if any had taken place. At Councillor Watson's initiative, the East Kilbride Area Committee of SLC had invited Ministers to attend a session of the committee but, to date, no response had been received. Councillor McAdams confirmed that she had not received a satisfactory response to questions she had raised with Transport Scotland.

Councillors Report

Councillor Watson reported that SLC Roads department had agreed to refresh road markings on Peel Road but that this would not happen until the spring. He also received complaints about speeding on Eaglesham Road and raised this with the Police. There was an issue with lack of gritting on the road and especially at the junction with Greenhills Road.

Councillor McAdams was also aware of Eaglesham Road issues.

Fiona McCrae noted that parts of Eaglesham Road and Hayhill Road were becoming slippery with mud from construction activities and asked if contractors could be asked to clean the road more frequently/thoroughly. Councillor Watson agreed to investigate.
